Closure		Why was it so important to the United States to land on the Moon before any other country ie: Russia could do it?	How did the Ancient Indians learn to use the Moon Phases to Plant and Harvest food for their people?	How can our government ever solve the problem of distance travel in Space to benefit Man-kind faster in traveling for future survival?	How have other Space objects proven useful to mankind ie: Stars, asteroids, and eclipses?	My Dear 5 th Graders! It has been quite a year! Needless to say I will miss every one of you. I want you to remember one thing that Mr. King quotes from Einstein every day..." Never, never give up? You won't succeed until you try..." Good Luck future 6 th Graders! Go discover the real you?!

Homework		The Students will write 5 minute ticket out the door homework assessments to answer the “Big essential question of the day”.	The Students will write 5 minute ticket out the door homework assessments to answer the “Big essential question of the day”.
